**WELCOME TO CARDINAL RITTER HIGH SCHOOL  
INTRODUCTION**

Our faith in Jesus Christ and His Church is the reason why our school exists. Our faith and belief is a part of everything we do at Cardinal Ritter High School. It is through daily prayer and our quest to witness to the morals, principles, and faith on which our school was built that makes us different. Through the utilization of this handbook, we work to attain the same standards as the first Archbishop of Indianapolis, Cardinal Joseph Ritter, the man whose name we have the honor to bear.

**The school respects the personal conscience of individual students and their families. This freedom is recognized by the Catholic Church. However, as a Catholic school, it cannot relinquish its own freedom to proclaim the Gospel and to offer a formation based on the teachings of the Catholic faith and the values to be found in Christian education. Students are expected to participate in religious instruction and Catholic formation, including Christian service, offered at the school, except those that are intended only for Catholics (e.g. reception of the sacraments).**

**PHILOSOPHY STATEMENT**

At Cardinal Ritter High School and St. Michael-St. Gabriel Archangels Elementary, we believe in the education and development of the whole child intellectually, spiritually, morally, emotionally and physically. Our comprehensive academic approach, in partnership with parents and community, assimilates an understanding of the Gospel values through service and worship.

**MISSION STATEMENT

- Demonstrate an acceptance of others in their variances of culture and beliefs.
- Are self-confident, polite, and appropriate in social settings.

## **GUIDELINE ON RESPECTING PERSONS**

The good name, reputation and personal safety of each student, faculty, staff member and adult volunteer is vitally important. In order to protect students, employees, volunteers, and the school/archdiocese itself, each student is expected to treat the good name and reputation of other students, school employees, volunteer and the school/Archdiocese with dignity and respect and not engage in any activity or conduct, either on campus or off campus, that is in opposition to this guideline and/or inconsistent with the Catholic Christian principles of the school, as determined by the school in its discretion. Any derogatory, slanderous, hostile, or threatening remarks or actions directed toward any of the above by a student will be seen as a violation of this policy and will be viewed as an extremely serious matter, whether it is done physically, verbally, or electronically through the use of a home or school computer, phone, iPad, or other electronic media or by remote access during school time or after hours. Some examples include, but are not limited to, social media, text messages, blogging, images, pictures, etc. Any individual found to have made or participated with others in making any such remarks or actions will be subject to disciplinary action by the school, up to and including expulsion/dismissal.

## **STUDENT RIGHTS AND RESPONSIBILITIES CODE OF CONDUCT**

Cardinal Ritter is a Catholic high school where certain standards of conduct are expected. Standards, which by design, help create an atmosphere that is conducive to learning. Students not willing to accept these standards will not be considered part of the Cardinal Ritter community.

5. A Cardinal Ritter student **adheres** to all the **rules** as indicated in the student handbook.

Items that disrupt the educational process such as cell phones, cameras, earbuds (headphones) etc. should not be with students during school hours. Using any of these items inappropriately will warrant discipline action. Any area of the school is school property and may be subject to search by administration.

**As stated in the Code of Conduct students are responsible for their learning. If a student is absent it is his/her responsibility to find out what is missed the day he/she returns to school. It is their responsibility to make up their work in the appropriate time frame.**

**Students understand the Discipline Policies and have acknowledged this by signing the first page.**

## **Threats of Violence**

A threat is an expression of intent to do harm or act put in a violent way against someone, something. It may be spoken, written or symbolic. At Cardinal Ritter we encourage all students, faculty, staff and parents to report threats. If you see something say something needs to be the motto that we encourage. If a threat of violence is reported to the administration the law enforcement will be notified to ensure the safety of all. There will be a meeting with the parents and student and school social worker to assess mental health as soon as possible, Continued communication with the school and parents is vital. The student will be removed from the school until the threat assessment is completed.

### **FREEDOM OF SPEECH AND ASSEMBLY**

Students are entitled to express their personal opinions as long as such opinions do not interfere with the freedom of others to express themselves. The use of obscenities or personal attacks on teachers or students is always prohibited within the school environment and at school functions.

If students feel they are having difficulty with a faculty member, or are dissatisfied with a particular classroom situation, they are encouraged to discuss the difficulty with the faculty member. If the problem remains unresolved, the problem will be handled by a school counselor or a member of the administrative team.

## GRADUATION POLICY

In order for a senior to receive a diploma from Cardinal Ritter High School diploma requirements must be met as outlined by the Indiana Department of Education and Cardinal Ritter High School. Students may not participate in commencement or graduation activities in those cases outlined below in the procedure section of this SOP.

Students who do not meet graduation requirements will be informed that they did not qualify for a diploma and their responsibilities before graduation activities begin. It is a preferred practice to notify a student as quickly as possible that he/she has not met the requirements of graduation and will not be allowed to participate in graduation activities. However, the enforcement of the policy may be administered at any time before an activity begins.

Seniors who are more than two credits short of meeting the required number of credits for a diploma will not be allowed to participate in commencement.

Seniors who have not met graduation requirements may be allowed to participate in graduation activities with the permission of the principal. Any exceptions to the policies for graduation must be discussed with the president.

The principal may prevent a senior from participating in graduation activities, including commencement, if he or she has sufficient reason to believe that the student has violated the discipline policies or if there are discipline issues prior to graduation.

Seniors must attend all end of the year activities in order to participate in the graduation ceremony. This includes Baccalaureate Liturgy.

No student who has an outstanding balance will be allowed to participate in any graduation activity.

**The president of Cardinal Ritter High School is the only person who may grant an exception to this policy.**

In order for a senior to be awarded the status of valedictorian or salutatorian, he/she must have completed both their junior and senior year at Cardinal Ritter High School. There will be no exception to this rule.

Valedictorian and salutatorian status will be based on the grade point average of a senior at the end of the first semester of their senior year. The principal may, after consultation with the president, revoke the status of these awards for reasons of dereliction of studies, disciplinary issues, or other conduct detrimental to the school.

## POLICY ON EARLY GRADUATION

- A. High school seniors shall graduate from the Catholic Inter-parochial High Schools of the Archdiocese of Indianapolis after they have earned the credits required by the State of Indiana and CRHS. Graduates of Cardinal Ritter will have attended high school for eight semesters.

- B. Pupils who transfer into an inter-parochial high school within the Archdiocese of Indianapolis will be expected to earn credits required by that high school from the moment they enter. Requirements are not retroactive, except as mandated by state law; e.g., Indiana State Law requires credits in health and physical education, whereas some other states do not.
- C. Should a senior decide to leave CRHS at the seventh semester to make up the last few credits at an evening school, CRHS shall not issue a diploma to that person. Such withdrawal is to be considered a transfer.

## SACRAMENTAL LIFE

Each student has a right to express his/her faith and to participate in all religious activities conducted at Cardinal Ritter. These activities include Mass, Penance Services, class retreats, communion services in the chapel and other services offered throughout the year. Spiritual formation at Cardinal Ritter revolves around the presence of Christ in the sacraments, especially the Eucharist. Holy days and other special occasions are marked by all school celebrations of the mass. We welcome at Mass and communion services those Christians who are not united with us. It is a consequence of the sad divisions in Christianity that we cannot extend to them a general invitation to receive communion. Catholics believe that communion is the action of a celebrating community signifying a oneness in faith, life, and worship of the community. Reception of communion (Eucharist) by Christians not fully united with us would imply a oneness which does not yet exist and for which all are called to pray for in the future. The Mater Dolorosa Chapel is open during school hours for visits to our Eucharistic Lord. Liturgical seasons of the Church Year such as Advent, Christmas, Lent, Easter, and special feasts are given particular attention throughout the school year as we live in Christ.

The Sacrament of Reconciliation is offered during Advent and Lent. As Catholic Christians we ask that our faith, practices and traditions be respected, even as we seek to respect the various faith practices and traditions represented in our school.

## DAY OF RECOLLECTION/SENIOR RETREAT

Underclassmen have the opportunity to take part in a Day of Reflection. Attendance is mandatory. All seniors will take advantage of the senior "Christian Awakening Retreat", a four-day opportunity for self-examination.

## GUIDELINES FOR STUDENT CONDUCT

Student conduct should be based on common sense, a desire to learn, and respect for others. To achieve these goals, basic rules are necessary.

- A. Infractions contrary to expected behavior will be assigned "detentions". These detentions are minimum 45-minute periods after school. The detentions will be supervised by teachers and detentions will have guidelines and will be enforced.
- B. The Dean of Students will assign the day, time and length of the detentions, and will record the nature of the disposition of the infraction in the student file. Students can be assigned a detention for the same day.
- C. Students and faculty are never to be subjected to name calling, racial or sexual harassment, or physical violence. **Complaints concerning any of these must be reported to the principal.**
- D. Teachers will assign teacher detentions to be served in their classrooms first unless the infraction is severe. Teachers will call parents if a detention is issued.

School officials may find it necessary to discipline students when their behavior interferes with school purposes or educational functions of the school corporation. In accordance with the provisions of I.C. 20-8.1-5.1, administrators and staff members may take the following actions:

1. **REMOVAL FROM CLASS OR ACTIVITY - TEACHER:** 1) A junior high or high school

teacher, working with administration, may remove a student from the teacher's class or activity for a period of up to **5 school days** [not to exceed 5 days] if the student is assigned regular or additional work to be completed in another school setting.

2. **SUSPENSION FROM SCHOOL - PRINCIPAL:** A school principal (or designee) may deny a student the right to attend school or take part in any school function for a period of up to **10 school days** [not to exceed 10 days]. Suspension from school negates participation in co-curricular activities during the time they are suspended.

## **DISRESPECT TOWARD TEACHERS**

The minimum of three detentions with the maximum of expulsion. If this is gross insubordination the Dean will make a recommendation to the Discipline Board and to the Principal which could range from multiple days suspension with a meeting with parents upon their return to school to expulsion. All expulsions are finalized/approved by the Principal. Continued disrespect by any student will place a student before the discipline board.

Cardinal Ritter High School reserves the right to do what is necessary and proper and to impose consequences for student conduct on and off of school grounds, supported by evidence that such a behavior inside or outside of school has a detrimental impact on other pupils, teachers, staff, school activities or the Cardinal Ritter community as a whole.

## **DRESS CODE VIOLATIONS**

Students that do not comply after three warnings will receive a detention for dress code infraction accompanied by a phone call to parent/guardian. Excessive dress code violations could result in a student having to appear before the Discipline Board. Students will be withheld from classes until issues are resolved. Broken zippers are considered dress code violations. Girls may also lose the ability to wear their uniform skirts if non-compliant.

## **RESIDENCE**

Every student at Cardinal Ritter is expected to reside with his/her custodial parent(s) or guardian. Any type of different living arrangement must have prior approval of the custodial parent(s) and the Administration. A student unwilling to comply with this rule will not be able to attend Cardinal Ritter High School.

## **ELECTRICAL AND OTHER NON-APPROPRIATE ITEMS**

**THE SCHOOL IS NOT RESPONSIBLE SHOULD THEY BE LOST. WEAPONS, CAMERAS, CELLULAR PHONES, PLAYING CARDS, AND RADIOS ARE NOT ALLOWED AND WILL BE REMOVED FROM STUDENT'S POSSESSION. ELECTRONICS ARE PERMITTED BEFORE SCHOOL AND AFTER SCHOOL.**

**STUDENTS ARE ALLOWED TO LEAVE THEIR CELL PHONES IN THEIR LOCKERS OR BOOK BAGS BUT SHOULD NOT BE ON THEIR PERSON. IF A STUDENT IS FOUND WITH A CELL PHONE, IT WILL BE TAKEN FROM THEM AND A PARENT MUST COME TO SCHOOL TO PICK IT UP. A DETENTION WILL BE ISSUED FOR THIS INFRACTION. A SECOND CELL PHONE INFRACTION WILL RESULT IN AN IN-SCHOOL SUSPENSION. THIRD OFFENSE WILL RESULT IN A 2 DAY SUSPENSION AND THE STUDENT MUST APPEAR BEFORE THE DISCIPLINE BOARD.**

## **ACADEMIC DISHONESTY**

Any attempt to obtain credit for work done by another student is totally unacceptable at Cardinal Ritter High School. This includes cheating on tests, copying work of others, and plagiarism (reference plagiarism agreement form). When a student participates in academic dishonesty the following happens:

1. A zero grade.
2. The teacher must notify the parent(s) and the Dean, detention is issued.
3. A record of the infraction will be in the students' disciplinary file.
4. A second offense will result in a suspension and a meeting between the parent, teacher, student and

Dean.

5. Academic dishonesty also includes using internet translation sites in world language courses.

## **THE CARDINAL RITTER STUDENT RESPECTS SELF, OTHERS AND ALL PROPERTY**

A student violates another's rights when stealing, vandalizing, or fighting. Punishment for these violations: may include detention, suspension, restitution, and expulsion, depending on the seriousness of the infraction. Misconduct on school vehicles may result in loss of riding privileges. Students not driving properly on school grounds may lose driving privileges.

## **COMPUTER POLICY**

### **ACCEPTABLE SCHOOL AND PERSONAL COMPUTER USE POLICY**

At Cardinal Ritter students are responsible for their conduct on school computers or on their own devices at school. General school rules for behavior and communication apply.

Network resources are available for students to conduct research, and communicate academically with others as it pertains to school work. Access to the schools network is given to students who agree to act in a responsible manner. The parents or guardians give permission to the student to use this access. Access is a privilege and not a right.

All students have signed an acceptable use policy as regards to the use of the computers. Violations of this policy will forfeit their ability to use the computers in the school. The school is not responsible for lost or damaged computers. Violations of these privileges will be treated as discipline issues.

The school treats student conduct on social media sites as an extension of expected behavior. Violation of student conduct will be treated as a disciplinary issue.

**If a student is absent** - Absences from school must be reported to the attendance office by a parent or guardian **by 8:00 a.m.** Homework requests need to be made **no later than 9:00 a.m. and only if for more than 2 days.** Also, the student **must present a signed parental excuse to the Attendance Officer upon returning to school.**

### **ABSENCE FROM SCHOOL**

A. The following are acceptable excuses for absence according to State Law:

1. Student illness (parent phone call & doctor's note)
2. Serious illness of an immediate family member
3. Death in the student's family
4. Serving at the polls or as a page for the State Legislature.

B. The principal is the only person who may make an exception.

C. Any unexcused absence from school is the responsibility of parents.

D. If a student is absent from school (which should be seldom) or misses a class for any reason, it is a student's obligation to make up work that is missed. It is not the teacher's obligation. Unexcused absences will result in no credit given for work missed.

1. A student has a day to make up assignments missed for an excused absence. Extended absences for serious illnesses will be reviewed by the principal. It is the responsibility of the student to obtain all missed work as soon as he/she returns back to school. **i.e. If a student is absent on a black day and returns the next day (red) the students is then expected to have his/her work when they return for the next black class.**

- E. Students must be in attendance for at least ½ day of school in order to attend school functions that evening or participate in athletics.

- G. Parents must send in a note when a student is absent.

### **MANDATORY DAYS OF ATTENDANCE**

There are specific days that attendance will only be excused with a doctor's note. The doctor's note will only be accepted for illness, not for regular dental appointments or routine check-ups.

- \* Runathon
- \* Before or after Christmas Break/Spring Break
- \* Thanksgiving Luncheon
- \* Good Friday

### **BENCHMARKS FOR THE 2020-2021 SCHOOL YEAR**

Absences to school - Academic performance are often affected by class attendance. Therefore, it is imperative that a student not accumulate excessive absences during the course of the year. Students jeopardize their passing of a course if absent from a class more than ten times during a semester. An exception to this rule would be the case of a student with a prolonged illness in which case the student can make up work missed if a doctor's note is supplied to the Attendance Officer upon the student's return to school.

Parents will be notified after the 8th absence.

### **PLANNED DAY OF ABSENCE**

A preplanned permission slip must be completed to inform his/her teachers of the absence. The teacher's signature shows acknowledgement of the student's absence. The principal or designee approves or disapproves the day(s). The student is responsible for any missed work. Such planned absences include senior college days, working as a page for the state legislature, or any other absence approved by the principal. All "planned absences" are **not** necessarily "excused" absences. The form is available in the office and must have the principal's signature first and then the parent before soliciting the teachers' signatures.

### **COLLEGE VISITS**

Seniors are allowed 3 college visits during regular school days. Juniors may take 2 days during the school year. Arrangements must be made in the guidance office prior to visit. College visits may not take place during May without prior principal's consent.

### **SCHOOL DISMISSAL PROCEDURE**

## HEALTH SERVICES

### Cardinal Ritter High School

#### Clinic Visit Policy

To promote safety and wellness of students, provide care for emergent medical conditions of students and assist with health maintenance for students with chronic medical conditions, Cardinal Ritter operates a health clinic. ***Clinic visits will be limited to 30-45 minutes in duration, based on symptoms present at time of assessment by the School Nurse***; students that are too ill to return to class within these parameters will be sent home. Students who present with possible contagious or potentially transmittable illnesses will be sent home. Parents will be contacted to pick them up as soon as this determination is made.

Conditions that would warrant exclusion from school include, but are not limited to the following: fever exceeding 99.8 F, vomiting, and/or diarrhea. Students should be fever free and not experiencing any vomiting or diarrhea for 24 hours before returning to school. Students with temperatures exceeding 99.4 F but less than or equal to 99.8 F will be given the option of returning to class or contacting their parent to pick them up. Students with temperatures under 99.4 will be sent back to class unless contraindicated by other symptoms or conditions present upon assessment by the School Nurse.

Any routine or on-going care that requires visits longer than 45 minutes will require a physician's note to document the nature of the care required. If an emergency situation arises, the School Nurse may utilize clinical judgment to determine if care of a longer duration is prudent and necessary. Parents will be asked to address the underlying condition with a medical provider if this occurs more than twice. ***It is the understanding that upon being contacted regarding a sick child, parents and/or guardians will make every effort to pick up their child or make suitable transportation arrangements to get them home as expeditiously as possible.***

In order to protect the health and welfare of children and school staff members alike, Indiana laws require that school personnel observe certain safeguards in administering prescription medication to pupils. If we are to administer prescription medicine to your child, the following procedures will be observed:

- A. We must have the written request of the parent or guardian.
- B. The prescribing physician must provide a written order stating the amount of medication, the hours for administration, and the period medication is to continue.
- C. Medication that is brought to school must be checked with the school nurse and kept in the pharmacy's original container.
- D. Continuing long-term medication must be re-verified at the beginning of each school year.

We cannot assume responsibility for medication unless these provisions are followed. Non-prescription medication will be given or dispensed by a school employee only upon written request of the parent or guardian, and by phone only in an emergency, which must include the specific instructions for administration.

As a general rule, students should not leave a class to see the nurse or go to the office. However, should a student become ill during class, he/she will get a pass and proceed to the appropriate office. Books should be taken with the student at that time.

**Library** - The library is open from 7:30 a.m. until 4:00 p.m. On all school days, an atmosphere of study is required in the library at all times. All materials must be checked out before removal from the room. There is a fine for overdue, lost, or stolen books.

## ARCHDIOCESE OF INDIANAPOLIS

*The Church in Central and Southern Indiana*

### ARCHDIOCESAN "MISSION" POLICY

#### Policy Statement

The language below is to be shared with families when enrolling to ensure that they understand the benefits of Catholic education and formation and to encourage all to embrace the mission. The language is to be placed in the Parent/Student Handbook and a signature of each parent/guardian is required, acknowledging that they have read and understand what it means to be a part of a Catholic school.

1. The primary purpose of a Catholic school education is to form students in the values of Jesus Christ and the teaching of the Catholic Church.
2. Catholic schools are distinctive religious education institutions operated as ministries of the Catholic Church; they are not private schools but are administered and supported by the sponsoring parish(es), the archdiocese, or a religious community.
3. Attending a Catholic school is a privilege and a choice, not a right. As such, we welcome you as a member of our school family who is committed to the mission of our Catholic school. We are grateful that you, as the first teacher of your child, choose this Catholic school!
4. While academic excellence and involvement in extracurricular activity (i.e., sports, clubs, etc.) are important, fidelity to the Catholic identity of the school is a fundamental priority. We strive to integrate our faith into all aspects of our school culture and curriculum.
5. The school and its administration have the responsibility to ensure that Catholic values and moral integrity permeate every facet of the school's life and activity. Such is reflected in our policies, practices, and protocols.
6. In all questions involving faith, morals, faith teaching, and Church law, the final determination of admission in our Catholic schools rests with the Archdiocesan bishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I pledge support for the Catholic identity and mission of this school and by enrolling my child, I commit myself to uphold all the principles and policies that govern a Catholic school. In turn, I understand that we are now part of a Catholic school family that will do all they can to help in the formation and education of my child.

Dated on this 28<sup>th</sup> day of May, 2020.

## **Non-Discrimination Policy**

All schools operated by schools and parishes under the guidance of the Roman Catholic Archdiocese of Indianapolis admit students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. The schools do not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

## **General Statement – Public Health and Safety**

The COVID-19 pandemic has led Catholic schools to plan for continuing operations in cases of public health and safety emergencies and disastrous events. The schools, based on guidance from State and local public health directives related to public health and safety emergencies, including severe weather events, and in consultation with the Archdiocesan Office of Catholic Schools, may adopt reasonable rules to protect students, teachers, staff and administrators. As in the case of the COVID-19 pandemic, schools may be closed as a social distancing practice recommended by archdiocesan and/or civil/governmental authorities to interrupt the spread of a contagious disease. In the event of an outbreak or any circumstances determined to be a threat to the health or safety of students, students may be excluded from attending school and school-related activities (in some cases for an extended length of time). Or, a school building may be closed as a part of school, archdiocesan or community response to a public health/safety or severe weather event. The school will then transition to its remote learning format to provide continuing education services to students who are impacted, whether that be a select number of students or an entire student body.

## **Academic Integrity and Grading during Remote Learning**

Students will continue their respective academic exercises remotely, should that become necessary. The school's expectations of all students' academic integrity and performance will be upheld and enforced during periods of remote learning. Academic integrity includes honesty in citing sources, sharing work on assignments only with permission, and prohibits cheating of any kind on assignments and assessments. Academic integrity also charges us to demonstrate responsible stewardship of our gifts and a strong work ethic. Students and families who find challenges during remote learning periods must initiate communications about those challenges to the classroom teachers and school principals in a timely manner. The school grading policies and practices remain intact and continue during any remote learning period.

## **Tuition**

In case of a remote learning period related to any public health/safety or severe weather event, the school will provide continuous education services remotely for students. Tuition agreements, policies, and practices will remain in effect and binding.

**Student Attendance**

In the event of a remote learning period arising out of any public health/safety or severe weather event, daily attendance for remote instructional days will be required. The principal will communicate how attendance will be taken. During such remote learning periods, current attendance policies will remain in effect and enforceable. In the event a student's doctor recommends the student not return to the school building should his or her health be compromised related to a contagious disease event, the school may provide reasonable alternative accommodations for this student. The school shall determine the level and character of any such reasonable accommodations. Reasonable accommodations may depend on various factors, including class size, grade level, staffing, financial concerns, etc.
